### **Digital Tableaux: Write-Up**

---

To show your understanding of what you have done, and of the process involved, you will do an individual write-up explaining and reflecting upon what you have produced.

You will need the following in your write up:

- ☐ Title of your Digital Tableau
- ☐ 1st paragraph - Explain which scene you are doing and what is happening.
- ☐ 2nd paragraph- Talk about the theme (i.e. modern or period) you chose to present your D.T. in. Say why you chose that theme. Where was the picture taken and why?
- ☐ 3rd paragraph- Who is *your* character? How are you presenting your character (i.e. what kind of outfit are they wearing and why you chose that outfit). For example if you are Feste, you may have chosen a colourful outfit in order to present his personality and position.
- ☐ 4th paragraph- What does your speech/thought bubble say and why did you chose it?
- ☐ 5th paragraph-What facial expression do you have and why? Where/how are you standing and why?
- ☐ Make a general comment on the other characters in your D.T. especially in relation to your character.

Your Write-Up is not complete until you have ticked every box on the list!

FOR PARAGRAPHS 2,3,4 AND 5 KEEP RELATING TO THE CHARACTER AS HE/SHE BEHAVES IN THE PLAY.

**This Write-Up contributes to both your Criterion A and B marks.**

**Keep watching Veracross for details of deadlines.**
