

'Life 101' - The New Lifeskills

Grade 10

Unit 3 - Student Choice Prototype

Course Dates: **January 14, January 26, February 22**

Teacher: Danny Clarke	Teacher: Jacqui Patrick	Teacher: Sam Brown	Teacher: Amy Keus	Teacher: Vicki Rogers	Teacher: Kasson Bratton	Teacher: Mrs Rinker
Activity: Volleyball A ball, a court, a net, a bunch of motivated players. That's about it...	Activity: Vegan Cookery Can you imagine making nachos without cheese or pancakes without cracking an egg? Are you interested in learning how to cook delicious food without using any animal products? In the Vegan Cookery Life Choices unit we will explore the benefits of eating less animal products and cook a range of sweet and savory vegan delights.	Activity: Spontaneous Inventions (Improvisation) Hone your dramatic skills with Mr Brown - also great for general confidence, presentation skills and just plain good fun!	Activity: Garageband Want to learn about how to use this amazing programme to it's full potential? It does so much more than you think it does!	Activity: Chinese Watercolour Painting Learn the basics and create something sensational!	Activity: Hip Hop Mr Bratton's secret last minute Life101 offering. We don't know how he does it, but we're glad that he does...	Activity: Library: Korean Data inputting. A chance to learn a little about librarianship computer skills whilst helping out with our Korean catalogue
