

中国
我的梦

As we are living in China we should attempt to engage linguistically and culturally with the Chinese community. Signs, banners and adverts are an opportune way for all of us to do this as they often provide a snapshot of current issues and an insight into Chinese Nation building.
"China's Dream, My Dream"

Banners and Street Art

A Social Commentary

Suggestion: MYP / DP students could do this sort of activity for their Service Activities.

Prosperous
and Strong

Equality

12 Terms that are presented as fundamental characteristics of Chinese citizens, society and government - applicable to all societies?

Rule of Law

Honesty

"The Congress Deputies are elected by the People to serve the People"

Environmental notices abound throughout the streetscapes of Xianlin.
"Don't leave footprints, don't leave rubbish"

人大代表人民选 人大代表为人民

不留足迹
不留垃圾

亚东物业
