

## European Chamber Nanjing

### 9<sup>th</sup> CSR Awards 2022

### Student Art Competition

**Theme: How can we protect or preserve our Blue Planet /**

**Life Below Water (SDG Goal 13&14) ?**

**CSR Student Competition is aimed at raising early awareness of Corporate Social Responsibility (CSR) among young people.**

**Candidates are invited to use the theme to outline their thinking and exercise their creative and analytical skills to see how we should preserve our planet and the Life Below Water.**

**Note: SDG Goal 13: Climate Action, Goal 14: Life Below Water**

The competition is open to all students studying in China, regardless of location and grades. Winners will be awarded prizes and invited to join our CSR Awards ceremony.

Prizes will be given in two or three categories depending on the age of students and the total number of applications.
