11. When app has started downloading - Double Click the [HOME BUTTON](#) to switch Between open apps

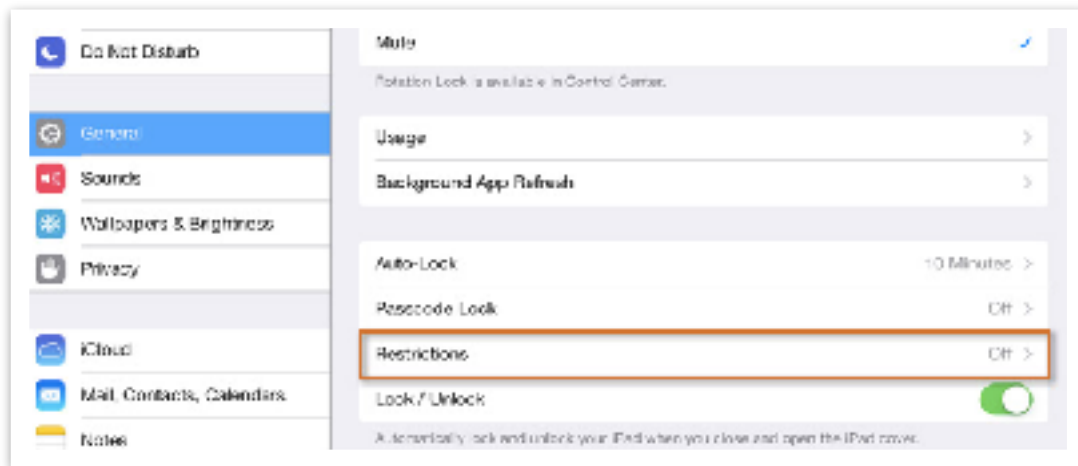

# General Parental Control Restrictions Setup

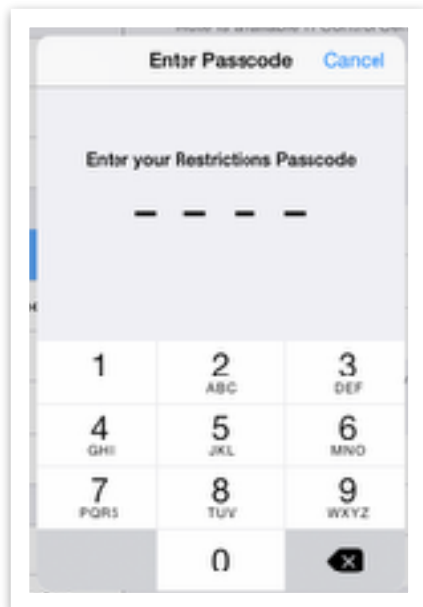

12. From the home screen, select Settings > **General**

13. Select Restrictions. Select **Enable Restrictions**

14. **For Grade 3 students only**, Enter the 4-digit passcode: **2028**.  
Make sure you remember this passcode in case you need to change the settings.  
**PLEASE DO NOT TELL THIS PASSCODE TO THE STUDENTS**

You may have a restrictions passcode set already.  
If so, please:

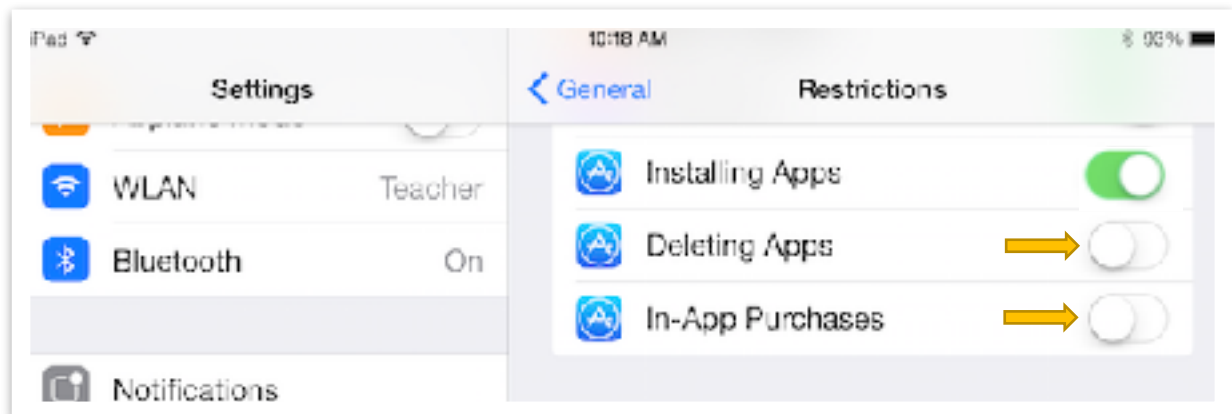

- Enter “your” passcode
- Disable Restrictions
- Then Enable Restrictions
- Enter the New Passcode: **2028**

Keeping the passcode the same for the grade, ensures that faculty can help a student, when they need to.
